Your Help is Needed

A lot has been accomplished in the last 8 months but there is one more item I would like to see implemented before the end of the touring season. That item is...."Adopt-A-Building". Ross Parcels had started the process by getting board approval for this policy, now I would like to make it happen. Even though we have done a lot, there is still much more to get done and this is where we need your help. 24 of our 26 buildings and over 120 displays still need a lot of TLC. Most of the areas have been untouched for years and are in dire need of cleaning, dusting, vacuuming and re-arranging,

painting and sprucing up. Visitors are always amazed at the collections we have but so much more can be done to enhance their museum experience.

Volunteer Appreciation Dinner and Annual Meeting

Included in this newsletter is an invitation to the Volunteer Appreciation dinner and Annual Meeting of the Membership. In 2015, our bylaws were changed to accommodate more people in hopes that they would attend.

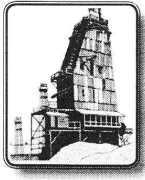

The evening will begin at 6:00pm with a social hour and a general tour of the grounds in hopes to attract volunteers to help with the

"Adopt-A-Building". At 6:30pm will be the annual meeting where committee reports will be accepted and a discussion will take place about future plans and goals. At 7:00pm we will have dinner and prizes will be given away.

Please see the attached invitation and we hope that you will attend and participate in

helping us to "Preserve and Share our Iron County Heritage with Past, Present and Future Generations".

Summer's Still Not Over :)

June and July were the start of a very busy summer. Adding light meals to our programs was a huge success and you still have time to join us for our last installment of "Pancakes, Pasta, Pasties & More". On August 18, our Railroad program will include a pasty meal. Featured photos in the program will be about the history of the railroad in Iron County. Enjoy a pasty meal at 6:00pm while enjoying displays and a tour of the Stager Depot. The program will begin at 7:00pm. Price for the meal will be \$7 and if you would just like to attend

the program, cost will be \$5.

August 11, Dale Safford's program will be: "Nationalities of Iron County's West Side". Her program will include information about the different nationalities and areas they settled in.

A late addition to our Calendar of Events is on August 25 when Nick Baumgartner will be here doing a presentation on his Olympic travels.

Labor Day weekend is of course our annual Miners Day Picnic sponsored by the Miners State

Bank. Pasties, brats and hot dogs will be on the menu along with games and lots of fun!

Decorations from our Italian Program on July 21, 2016
